

Adobe has an old version of Adobe Photoshop and Illustrator available for download. It's version CS2 which was released in 2005 but still works very well and is still very similar to the latest versions.

You'll need to enter the serial # during the installation.

Enjoy!

Illustrator CS2

Serial # = 1034-1415-6230-2341-2884-9398
