NOTICE TO PARENTS

This notice serves to inform parents of the Thursday evening and Friday Student-Parents Conference procedures and the limitations of the child-care being provided.

1. You are strongly urged to arrive on time of you conference time slots; it's a tight schedule. Your children who need child-care should be brought to the gym immediately before your scheduled conference.
2. This strict adherence to schedule refers to BOTH the conference times AND the child-care times. Please do not linger after your scheduled slots; you inconvenience others that way.
3. We would appreciate your cooperation in using child-care services ONLY for CCES students and only for the time assigned to you. There will be two supervisors in the gym..
4. Please be reminded that the conference sessions are of 20 minute duration. If you wish to talk to the teacher, please limit your student conference to 20 minutes. This allows for 5 minutes of conferring with the teacher, and 5 minutes to transfer to another room for the next conference.
5. Children must wear indoor shoes in the gym.
6. Children must stay in the gym during supervision time. There will be "organized" play in the gym.
7. There will be cookies in the classrooms, not in the hallways.

On behalf of the CCES staff,

J. A. Roukema
principal
