

Portfolio Presentation Prompts

Parents could prompt students by asking the following questions:

1. Why do you like school?
2. What is your favourite subject? Why?
3. What is the best part of school? Why?
4. What is the worst part of school? Why?

Note the correlation between Report Marks and quality of work you child shows in those subject areas.

Do you notice improvement in your child's educational abilities?

- ✓ look especially for creativity
- ✓ how about the thinking skills
(one key is to look for detail in work)
- ✓ ask how he/she enjoys cooperative work
- ✓ is there evidence of organizational ability?
- ✓ have writing skills improved?
- ✓ does your child communicate well orally? In other words, did you understand your child's explanations?
- ✓ if not, what do you think might be the reasons?
- ✓ does your child exhibit a positive attitude towards school?

Please take home the Parent Response Form before you leave the room. We would really appreciate your comments on the Student-Parent Conferences.
