

MAY e-UPDATE

Down the home stretch...

*See! The winter is past;
the rains are over and gone.
Flowers appear on the earth;
the season of singing has come.* (Song of Songs 2:11-12)

The air is indeed warming (as any student in our upstairs wing can tell you) and the days continue to lengthen. By the time you read this, we will be in the middle of the last long weekend before summer break. For some of us, this means a first camping trip; for others, a trip to the Cloverdale Rodeo. For all, I hope it is a refreshing few days.

The end of school brings exams. The exam schedule has been posted on our website. We have aimed for three exams for each grade, although some senior students may have a few more or fewer depending on their courses. We have also tried to spread the exams out so that most students do not write two exams in one day. We hope this increases preparation and decreases anxiety, but the drawback is that it complicates transportation. Your feedback on this is appreciated.

Our 2018/19 schedule is complete, and student course selection has been ongoing. Parents should expect a printout of courses for them to verify sometime in the next two weeks.

The CCHS budget meeting is set for Wednesday, May 23 at 8pm in the Langley church building. The agenda and budget has been distributed electronically and in paper form.

This past Thursday, we were able to host our incoming grade 8 class at our annual Grade 8 Day. To follow up on this, we invite parents of incoming Grade 8 students to a parent orientation meeting, also on May 23. The meeting will start at 7pm in the school.

Our annual Open House is also coming up, at which we showcase many of the good things that have happened at CCHS throughout this school year. Details can be found elsewhere in this issue.
